## References

Audit Association of Cooperative Banks [*hereinafter ZRBS*] has been cooperating with Code Town Sp. z o.o. [*a limited liability company*] for some time now. Code Code has worked with and helped us with the following projects:

- Developing databases for IT systems for ZRBS,
- Developing apps for managing annual audits at cooperative banks,
- Developing apps for Cooperative Bank Rating—

Code Town has proved to be a reliable partner who has been developing all the projects we have ordered under our cooperation agreement in a timely and thorough manner. They have shown considerable flexibility as well as professional and comprehensive approach to all the jobs we ordered. The experience and high qualifications of both the owners and the entire staff resulted in products which fully meet our expectations. We truly appreciate their commitment and high-quality services, as well as their willingness to work with us on making a product best suited for the clients' needs.—

The cooperation of all of the parties involved has proved highly successful and therefore it is my pleasure to recommend Code Town Sp. z o.o. as a specialist in their field and a dependable and reliable business partner.—

Sincerely,
